The submission of any document herewith, which is not a statutory bar, is not intended as an admission that such document constitutes prior art against the claims of the present application or that such document is considered material to patentability as defined in 37 CFR §1.56(b). Applicants do not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a *prima facie* art reference against the claims of the present application.

## RELEVANCE OF EACH DOCUMENT

In a counterpart Chinese application, an Office Action dated November 7, 2007, was received by Applicants. According to a partial English translation of the Chinese Office Action obtained by Applicants' representative, the Chinese Patent Office made certain characterizations of the references. The disclosure of these characterizations should not be construed as an admission of or agreement to the opinions expressed in the Chinese Office Action. A copy of the Chinese Office Action and English language translation are attached herewith.

Applicants wish to advise the Examiner that documents FR 2,783,755 and DE 197 03 519, cited in the Chinese Office Action, were previously submitted in an Information Disclosure Statement dated April 5, 2006, and are not provided herewith.

Applicants respectfully request that each listed document be considered by the Examiner and be made of record in the present application and that an initialed copy of Form PTO/SB/08 be returned in accordance with MPEP §609.
